

# AQUASWIM® FILTER

## High rate sand filter Hoë werkverrigting sand filter

### AQUASWIM® Filter

The AQUASWIM® range of sand filters has a seamless, one piece moulded polyethylene tank. Fitted complete with our smooth operating side mounted Multiport valve for easy selection of standard operating features.

The AQUASWIM® range of sand filters is strong, reliable and simple to operate. They feature non-corrosive high flow ABS internal components and an automatic internal air relief system.

The AQUASWIM® range of sand filters is fully factory tested and under normal operating conditions carry a 24 month ex-factory warranty on the tank, the Multiport valve and internal parts from date of purchase.

The AQUASWIM® range of sand filters is manufactured by Speck Pumps and has all the features and quality that you as a customer require.

Die reeks AQUASWIM®-sandfilters word deur Speck Pumps vervaardig en het al die eienskappe sowel as die gehalte waarna u as 'n kliënt soek.

Die reeks AQUASWIM®-sandfilters het 'n soomlose, eenstuk gevormde poli-etileen-tenk. Dit is volledig toegerus met ons kantgemonteerde, gladde werking, meerdoelige kontroleklep wat dit maklik maak om die verlangde verstelling te kies.

Die reeks AQUASWIM®-sandfilters is sterk, betroubaar en eenvoudig om te gebruik. Dit word van roesbestande, hoëvloei ABS interne komponente vervaardig en het 'n outomatiese, ingeboude luguitlaatstelsel.

Die reeks AQUASWIM®-sandfilters is volledig fabriek-getoets en het 'n 24 maande fabriekswaarborg op die tenk, die meerdoelige kontroleklep en interne komponente onder normale werktoestande vanaf datum van aankoop.
